

On Deck 2023

Ferry cruise fundraiser in support of:

**Saturday, September 16, 2023 from
4:00 to 8:00 PM**

STRONGPOINT
THEINERT RANCH

The goal of the 2023 Ferry Cruise aboard the 1LT Joe Theinert vessel is to raise **\$29,500** in order to build a 1200 sq ft deck on the west side of The Barracks facility at Strongpoint Theinert Ranch. Now that the main building has arrived on property we will continue to improve the exterior spaces around the Barracks. We have chosen a deck to be the next project at the ranch. The deck will be an extension of the house, an open air communal space lifted away from the dust, scrub, and cactus of the surrounding area. Aside from providing a protective barrier between the interior of the house and the wild landscape, the deck will serve as a multipurpose space for groups to prepare and share meals, do therapeutic physical activities such as yoga and daily stretches. It will be a place to gather for sharing, stargazing, and connecting with each other while enjoying the stunning vistas that stretch out in front of the house. With an eye to longevity in a harsh environment the proposed deck will be constructed from Trex decking material.

Sponsorship Levels
